- ⇒ Not sure on sizes? Please book in for a fitting with Sicely. Book a time via your DSP portal.

We sell exclusively MDM ballet and jazz shoes, and Bloch tap shoes.

About MDM dance shoes:

MDM dance shoes have been designed to support a dancers feet in a way that no other dance shoe does. They are made with a special inner sole that cushions and supports the foot which in the long term helps to diminish the chance of foot injuries that can occur in a regular dance shoe.

MDM shoes are a little more expensive than some others but the technology applied to the shoe puts it way ahead of others making it the much safer choice for your child's foot and leg development.

Super cheap shoes from Kmart, Aldi etc.

These are the worst possible shoes you can get for your child. They are made so cheaply that they offer zero support for growing feet and legs. We know they are cheap but you could be putting your child's foot and leg development at risk by using these.

Concerts & Assessments

Concerts

We hold two concerts each year. A small performance at the end of June and then our big end of year show at the end of November. All students participate. (Optional for preschool students)

For both shows students wear costumes and stage makeup. (Please speak to Sicely if you would like to know more about why dance students wear makeup on stage)

Participation in our shows teaches students about performance quality, commitment to their team, stage etiquette and safety, team work, organization skills, attention to detail and goal setting, and for older students it also promotes mentoring and leadership.

In addition to the above our performances are both a reward to students and a thank you to parents for their commitment and dedication to this wonderful art form.

Concert Costume Expenses

Most classes wear 3 costumes per year. One midyear, two end of year. Of the two end of year costumes one you purchase and keep after the concert.

Costume Hire: Incorporated into your dance fees so no extra expenses when we get to the concerts. All classes.

Costume you get to keep after EOY concert:

Max cost per costume is \$130. Your DSP account will be charged at the start of term 2 and payment is due by the end of May.

- ⇒ **Students who enroll in term 3 participate in just one routine per class for the end of year concert.**
- ⇒ **COMBO classes will perform in just the one routine at all concerts.**

Assessments/Exams

Compulsory for all students in Bronze, Silver, Gold, Level 4 & above and Senior classes.

Optional for Test 1, 2, 3 classes, Hip-hop classes and preschool classes.

Assessments are carried out at the studio in early September and assessed by a qualified examiner from Australian Teachers of Dancing.

Students work throughout the year on technical aspects of their chosen style with the end goal to develop their skills to the very best they are capable of achieving.

Costs start at approximately \$45 at the preschool class levels and increase through the levels to \$200 at the advanced levels. Your DSP account will be charged the appropriate fee at the start of July, due end July.

Upon receiving results students are rewarded for their hard work with an official certificate of attainment, critique and class specific badge.

Students who complete senior exams (elementary and above) can also list the achievement on their work resume as proof of the commitment, dedication, organization and the focus on detail required to participate at these high levels.

Assessments are not solely about pass and fail but about learning to work hard, commitment to a goal and working to achieve your personal best.
